**YLC Sponsorship Request**

Leokadia Saunders reached out to IAD requesting financial assistance with expenses going to YLC. In the past, IAD has purchased flight tickets for the individual to get there and return home. We should do the same for Leokadia.

**IAD T-shirt**

Randilyn Woertz-Morris works for a non profit organization that designs and make tshirts. Randilyn discussed three options: screenprint, heat press, and embroidery. She also explained that embroidery is more neat looking and professional. She also mentioned she is willing to take upon that responsibility and gather orders. Randilyn will find out the costs after we submit our orders. All will get polo embroidered in navy color, and will decide our second color at another time.
